Uniform Tip #1

Buy one size bigger
to allow room to
grow

Please note the NZU shop in New Lynn does not sell our uniform or have stock in store.

Please complete your online orders by 22 January 2025 to ensure delivery ready for the first day of school :

First day for Year 7 students - Monday 3 February 2025

First day for Year 8 students - Tuesday 4 February 2025

HOW MUCH TO BUY

This is personal choice however we suggest the following to get started:

- ◆ 2 polo shirts
- ◆ 1 or 2 culottes, skort or shorts
- ◆ 1 hat or cap
- ◆ 2 PE tees and 1 or 2 PE shorts (students will need PE gear every day for fitness however they are quick dry fabrics and dry overnight)
- ◆ 1 green jacket (although it will be summer when we first start in February, students may need an extra layer on cooler mornings)

Uniform Tip #2

PE Tee:
a looser fit may
be best

We suggest purchasing the black fleece, raincoat and scarf in term 2 when the weather changes as it is unlikely to be needed in term 1.

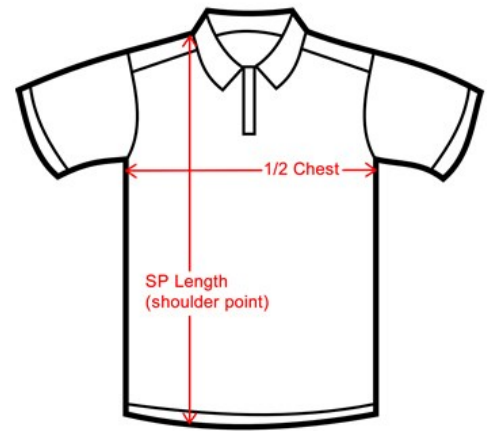

Uniform will be available to purchase throughout the year both online and at the school shop if you need extras or different sizes as students grow.

CHOOSING THE RIGHT SIZE

All the items on the webshop have a size guide to help you choose the correct size.

- ◆ For shirts and jackets compare the measurements on the size chart to items of clothing you already have.
- ◆ Half chest measurement explained:

Lay a shirt down on a flat surface and measure it from left to right across the chest, about 2cm below the arms. This is the half chest measurement of the garment. Then using the sizing information for the garment you want to order, choose the size with the closest half chest measurement to your own garment.

DONATIONS AND FEES

Donations

GEIS has opted in to the Government's Donation Scheme. The Government will pay our school \$154 per student per year, which means that we no longer ask parents/caregivers to make a donation to the school. GEIS use the Government donation to cover curriculum related costs such as day trips that are part of the general curriculum. This should result in a significant reduction in curriculum-related costs for parents/whānau.

Stationery

All students need to bring a pencil case with pens, pencils, pencil sharpener and erasers. Please purchase replacements if they run out during the year.

These items are also available to purchase at the school uniform shop.

GEIS will use the Government donation to provide students with exercise books.

Specialty Fee

GEIS provides a high quality specialist technology programme for all students and we charge \$50 to cover the cost of take-home materials used in this programme (eg Food Technology, Visual Art, and Hard Materials). Payment of this fee is compulsory.

Payment can be made via EFTPOS, Visa, MasterCard or cash at the school office. Payment can also be made by internet banking to account no. 12-3051-0274793-00 using your child's full name and '2025 Spec' as the reference.

Optional Activities

Please note that parents/caregivers will need to pay the costs if their child chooses to participate in optional activities. This includes sports and cultural activities, visiting music or drama performances and overseas tours.
