

Glen Eden Intermediate School

2022 Stationery Requirements

Dear Parents/Caregivers,

Please find below your child's stationery requirements to start 2022.

This is a starter pack that we hope will facilitate a smooth and speedy start to the year for your child and the school. Stationery can be purchased at your preferred retail store ready for the first day of school. Should you already have some of the items on the list you do not need to purchase these.

Your classroom teacher may have some additional stationery requirements to suit their classroom programme. They will let you know in the first week of school if any further items are required.

Please ensure that your child's belongings are clearly named.

Thank you.
